- F. Car and driver both must be qualified to be handicapped into the feature event.
- G. Two or more drivers cannot use the same car to qualify for different events during any racing program.
- H. A car may be registered for only one qualifying/feature per event.
- I. In the event a qualified driver changes cars, that car must be a qualified car and he/she will start at the rear.
- J. If the driver changes to a qualified car then the points go to the driver that starts the race.
- K. All divisions must remove helmets and lower window nets before crossing scales, to properly identify driver.
- L. If the car owners elects NOT to compete, or suffers mechanical difficulties prior to the makeup event, then the qualified driver of that car may take another car qualified or unqualified and start the event at the rear of the field.
- M. No driver/car changes permitted after the initial green flag.
- N. NOTE: Participants- i.e. owners, drivers, mechanics, pitmen, agents, etc., when

entering into an event, are not deemed employees of the Hagerstown Speedway, but are independent contractors, and as such shall assume all liability and take all the responsibility for all charges, premiums, and taxes, if any, payable on any funds or prize money they may receive as a result of their participation in any speedway event.

15. PROTEST:

- A. The right to protest lies with the driver; nevertheless, Race Director acting in his official capacity shall, even in the absence of a protest, take such action as the case warrants.
- B. Each driver protest will be in writing accompanied by a \$250.00 per part protest fee and shall state clearly the subject or action.
- C. If the protest is upheld, the protest fee shall be returned to the protesting driver, and the losing driver shall pay all costs incurred by the officials in determining the protest.
- D. If the protest is not sustained, the \$250.00 per part protest fee shall be forfeited, and the protesting driver shall pay all costs incurred by the officials in determining the protest.
- E. Protest fees posted regarding the legality of engine capacity will be allowed to the protester in the event the protested engine capacity is found to be legal and will not be returned to the protestant.
- F. **Driver or Car Owner are the only ones that can protest.**
- G. If your engine is being protested and found to be out of spec the Owner of the car being protested may take motor apart if he/she wants to prove his legality.
- H. Tech man will be present and oversee the process.
- I. All visual protests shall be made prior to the start of the feature event.
- J. All visual protests made after the start of the feature event will be void. (A visual protest is a protest which does not require any type of a measuring device to establish the legality of any part of an automobile.)
- K. Protester must state each and everything they are protesting.
- L. \$500.00 to pump, \$250.00 each part, and \$1500.00 for motor protest.
- M. An award gained by a competitor who has been protested against shall be withheld until the protest has been adjudicated.
- N. All parties concerned shall be bound by the decision given.
- O. Finally, unless you are directly involved in a protest, stay out of the protest area.
- P. Give the officials and the parties involved room to work. If this is not obeyed then you could be asked to leave.
- Q. Safety and cost of racing equipment are two vital parts of any type of motor sport.
- R. In the current season, we will continue with our policy of using the pump to determine the size of the engines.
- S. There are no tear downs to measure the engine, unless the engine shows illegal on the pump.
- T. The owner has the option to dismantle the engine so that the officials may physically measure the stroke and bore to prove his legality.
- U. No nitrous or oxygen type additives may be added to the fuel system.
- V. All protests will be conducted in an assigned area.
- W. The only people allowed in this area are, officials, members of the protested car, and two people who have been assigned by the protesting driver.
- X. Due to the high cost of racing equipment, we suggest that if you are thinking of purchasing some of the new expensive equipment not normally used in today's racing standards, check with the Race Director in order to determine if these are

items that may be barred in the future.

- Y. We refer to such items as clutches and rear-end assemblies, timed fuel injection systems, etc.
- Z. We feel that with the cost of owning and maintaining race cars, it is necessary to maintain certain rules and regulations.
- AA. Only the Driver or Car Owner may file a scoring or race protest.
- BB. All protests will be filed with the Head Technical Inspector.
- CC. The Driver or Car Owner ONLY will have 5 minutes after the complete finish is official to file a protest.
 - 1. When filing a protest you will need to fill out a protest sheet of each and everything (details) that you are protesting and have fees available at that time.
- DD. ANYONE ENTERING THE FLAG STAND OR SCORING TOWER DURING THE EVENT COULD DISQUALIFY THE CAR OR DRIVER.
- EE. All disputes will be settled after the completion of the racing program, unless the matter can be handled accordingly.
- FF. Any car found illegal - the fine will be equal to the amount of earnings for that night. If additional offenses occur, added penalties will be determined by the officials.
